

## Acoustic Bookcase Inserts

NoiseOut™ Acoustic Bookcase Inserts are an innovative solution for any space with noise problems. Easily install our lightweight Bookcase Inserts into any bookcase: they are available in standard or custom sizes and a wide selection of finishes, fabrics and color options. This variety of finishes and fabrics allows the acoustic inserts to either "disappear" into the back of a bookcase, or become a wonderful design statement.

### Applications:

- Media Rooms
- Home Theaters
- Family/Living Rooms
- Restaurants
- Conference Rooms
- Any Noisy Room

### Installation:

Place Bookcase Inserts into specific bookcase openings. Additionally, Velcro can be placed on the bookcase and insert for a more secure fit.
